The Experience of being in Cape Sounion

The Grecotel Cape Sounio opened in 2004 to become a unique resort in one of the world's most celebrated archaeological sites, Sounio 70 km from Athens Centre and 40 km from Athens International Airport. Grecotel Cape Sounio is more than just a resort, it is an experience.

Like the Temple of Poseidon, clearly visible from most bungalows, the resort echoes the Attica landscape, the brilliant blue sea and the clear skies of the Aegean.

Set amphitheatrically on a 75-acre estate on the edge of Sounio National Park, Grecotel Cape Sounio has 154 bungalows with private gardens (many with private pools).

Imagine enjoying the Gods' nectar and ambrosia on the restaurant terrace, ambling down the path to the beaches, submitting to a relaxing massage in the Elixir Spa – all within 38 km of Athens International airport and 67 kms from the Acropolis in Athens!

There are sports and activities for all the family – from a children's corner to tennis courts.

All 154 bungalows, suites and villas are designed in an amphitheatre on the hillside. 118 of them have breathtaking views over the Temple of Poseidon and the aquamarine Aegean Sea.

The majority of the accommodation is one-storey bungalow style. The sumptuously decorated garden Bungalow Rooms and Suites are set in amphitheatre shape and have direct access to the well-established gardens and some have private pools.

All guestrooms feature: Private marble bathrooms, Balcony/terrace, Direct-dial telephone, Wake-up calls (automatic), Hairdryer, Mini bar, Satellite TV, DVD player, Mini hi-fi System, Electronic Safety Deposit Box, Air-conditioning and Heating (independent), Electric Shaver Outlet, 120 Volts.

Finally the hotel has ample meeting rooms fully equipped with audiovisual equipment, which can host any type of meeting or event.
